

Subject: Discover What's New at the UN Global Compact Academy in 2025!

Dear {{Recipient.FirstName}},

Since launching in 2018, the **UN Global Compact Academy** has grown into a thriving learning community offering over 100 courses and on-demand sessions across key sustainability challenges in 5+ languages to more than 100,000 learners worldwide.

[The Academy](#) is designed to provide participating companies and ALL their employees with the knowledge and skills necessary to meet sustainability objectives, achieve long-term growth, and contribute to the 2030 Agenda for Sustainable Development.

With curated content and new learning offerings now available, we invite you to take full advantage of the UN Global Compact's Academy, the all-in-one platform for actionable learning to move your company further, faster in implementing the Ten Principles and the Sustainable Development Goals.

WHAT'S NEW?

Website

Exploring learning opportunities is now easier than ever on our new Academy website—from discovering the latest and upcoming courses to learning how to integrate the Academy into your company's growth. Additionally, we're expanding our regional content with more language options making learning even more relevant to your contexts.

Platform Upgrade

Our upgraded platform delivers a faster, more intuitive learning experience with improved navigation, a new mobile app, intelligent search, and better support for local regions and languages.

- **Streamlined Navigation:** No disruptions to ongoing programmes or live sessions.

- **Curated Content:** Enjoy course recommendations tailored to your interests and role.
- **Flexible & Accessible:** Easy login, multilingual support, and mobile-friendly access.
- **Impact-Driven Learning:** Courses, insights, and case studies designed to drive sustainable action within your organization.

NEW Offerings

Looking ahead, 2025 will be packed with exciting new offerings, including courses and learning experiences focused on key sustainability concepts, including:

- **Male Allyship E-Learning Course (*March*):** Discover the impact of male allyship in advancing workplace gender equality, gaining insights into the gender leadership gap, structural barriers, and actions to foster inclusion and change.
- **EU Sustainability Navigator & Webinar Series (*March*):** Your go-to resource for EU regulations, featuring guides, expert interviews, and live webinars.
- **Human Rights & AI Webinar Series (*April*):** Explore human rights risks in technology, from data privacy to environmental rights and accountability.
- **Business Integrity E-Learning Course & Deep Dive Series (*May*):** Master the fundamentals of anti-corruption and business integrity with our latest e-learning course and expert-led deep dive sessions.
- **Forward Faster Target Setting Deep Dive (*October*):** Take a deep dive into setting impactful sustainability targets and exploring sustainable finance strategies.
